The Growing Edge ... by Howard Thurman (Pastor Kristian Johnson)

All around us worlds are dying and new worlds are being born;
All around us life is dying and life is being born;
The fruit ripens on the tree;
The roots are silently at work in the darkness of the earth
Against the time when there shall be new leaves,
Fresh blossoms,
Green fruit.
Such is the growing edge!
It is the extra breath from the exhausted lung,
The one more thing to try when all else has failed,
The upward reach of life when weariness closes in upon all endeavor.
This is the basis of hope in moments of despair,
The incentive to carry on when times are out of joint
And men have lost their reason; the source of confidence
When worlds crash and dreams whiten into ash.
The birth of a child—
Life's most dramatic answer to death--
This is the Growing Edge incarnate,
Look well to the growing edge!

Howard Thurman is perhaps the most under-rated author, poet, theologian, and activist of the 20th Century. His words and witness were major factors in the civil rights movement. Not only is this poem perfect for spring... it is perfect for where we are as Pilgrim. As followers of Christ, we are called to nurture the "growing edge" (John 15:1-12) - of our own lives, and of our congregational life. May this poem serve as food for thought and for prayer as we see God giving us blossoms and as we sense the roots growing silently underfoot.

Our new gathering garden is a blossom!
Our new members are new leaves!
Our successful GPS visioning retreat is producing fresh fruit!

There are roots that are growing underfoot as well- roots that are forming as we make gather, prepare, and send all as leaders for God's mission in the world! Brothers and Sisters of Pilgrim, look well to the growing edge!

Mothers Day Celebration, MAY 11TH: Please join us for a very special celebration. Each woman will receive a white carnation. Also, after the 10:30 AM service, we will be taking group and family portraits in Maring Hall of all women and their friends/families.

100 - Year Snooze: This year's 4th-6th grade Spring Production. Please attend one of the two performances of this awesome show on May 9th, the morning performance is at 9:30 AM, and the evening performance is at 7 PM. Tickets may be bought in the school office for \$4 each for adults and children over the age of 3. There is a ticket limit of 6 per family and sold on a first-come-first-served basis. Children in the musical do not need a ticket. Lower grade students (Preschool-3rd) will be admitted to the morning performance free of charge. Both shows will be in Maring Hall. All family and friends of Pilgrim are invited and encouraged to attend!!!

The 7th and 8th grade **Film Festival** is Friday, May 16th at 10 AM in Maring Hall! Come and see the next Steven Spielberg or Martin Scorsese!! These films are always epic!!!

Pilgrim Mission Gifts Grants Opportunity

Part of Pilgrim's current 3-year Capital Campaign is giving 10% to "mission gifts." Thanks to your generous donations, we would like to decide on some mission gift donations. We encourage Pilgrim Church and School members of all ages to work together to create mission projects and also apply for support for great organizations. You can find application forms on the table in the back of the church and on Pilgrim's website soon. Please turn in completed application forms to the Pilgrim Church Office by May 20th at 5 PM for the first round of Mission Gift Grant Approvals. For more information, contact Anna-Kari Johnson at 773-990-0814 or PastorAKJ@gmail.com

Lutheran Day in Springfield is Tuesday, May 13th. This day is organized by Lutheran Social Services. The Pilgrim Congregation is providing a bus and our 6th, 7th, and 8th grade students are joining members of the congregation for the journey to the state capitol. The student day includes a trip to the Lincoln Library, a tour of the Capitol building, and a chance to meet some of our state leaders. Students will learn about political advocacy, but they are not there to advocate for any political causes or legislation. Thank you for your support of this opportunity to experience the government of our state.

Prayer Ministry

Join us Saturdays at 8:30 AM for our weekly prayer time. It is such a wonderful way to spend a morning! We meet at the Parsonage, 4332 North Winchester Avenue.

School Subjects

(Principal Chris Comella)

Parents of current Pilgrim school students received this news a couple of weeks ago, but for those of you who are not current parents, here are some things that are happening at Pilgrim School.

The teachers, the Board of Education, and the Church Council have all been talking about our visions for making Pilgrim a stronger place, more responsive to the needs of all our students and their families. Here is a report of what is going on in these groups.

Staff: Teachers have been looking hard at what we teach and how we teach it. We have set some achievable **goals for change** in the next year. In the area of core **academic subjects**, we plan to ensure that each grade level cohort of students has a reading class with only that grade level. Currently, some 5th graders have reading with 6th graders and some 5th graders have reading with 4th graders. We are mapping a schedule that would be similar to the lower grades in which students are only with their own grade level. This would also be true for Spanish instruction. Grade level cohorts would allow for more flexible groups and for more enrichment activities. We are also currently investigating using some on-line enrichment activities linked to the MAP test and those offered through Northwestern University Center for Gifted and Talented. In addition, we are investigating the use of co-teaching, that is, two teachers in one class, to address special education needs. We are currently doing this on limited basis, but we would like to expand this.

Staff has also started to develop **a plan to revise the Christian education curriculum** to reflect the positive and affirming beliefs of our Bible-based tradition. We also want our service projects to be extensions of each homeroom's Christian education program, rather than clustering half-dozen costly appeals to whole school in November and December. For example, the appeal for the Friendship Center would only be the work of one homeroom. We want the focus of our service projects to be student involvement and relationship building, rather than parents merely spending extra in a trip to the grocery store.

BOE: The Board of Education is looking at some **longer range strategic planning** for the school, which is going to tie into the Evangelical Lutheran Education Association (ELEA) accreditation process in which the school is engaging. Currently, we are forming four groups **focused on Building Use, Technology, Ministry, and Academics**. If you have suggestions as to how we can improve our school in any of these areas, please let me or Nancy Liljedahl, BOE Chair, know. We are happy to discuss your ideas.

Church Council: The welfare of the school is a regular discussion at Church Council meetings. One initiative approved by Council and the Congregation has established The Dave Maring School Endowment Fund. The interest/dividend income from this fund would benefit the school in a variety of ways, but especially financial aid to families. Currently, **we have a challenge from the Satter Family; they will match any donation to the School Endowment Fund up to \$25,000**. This is an outstanding challenge and gift for the school. If you would like more information, please contact Pastor Kristian or me.

The Church Council has also authorized a Task Force to investigate **the possibility of expanding our Pre-School Program to a satellite site** at Luther Memorial Church, at Wilson and Campbell Avenues. The plan would be to open a mixed 3 & 4 year old class. The Task Force at this point has seen Luther's site and sees this as a joint ministry for the two congregations. The Task Force is starting the process of a needs assessment for this growth opportunity, and with CPS closing all of its pre-Kindergarten programs the need may be great. I will keep you all informed as to the progress of this investigation.

Finally, no matter what we plan to do, we are still in many ways bound to the world around us. CPS announced a while ago that they are changing the testing required for selective enrollment, IB and honors programs in their high schools.

(continues to next page)

(School, continued)

While CPS continues to ponder what to do, we are preparing our students the best we can for whatever CPS wants. The Measure of Academic Progress (MAP) test is likely to replace Stanfords next year as our test not only to show student growth, but also to show student ranking in comparison to other students nationally in each respective grade level. The Northwest Evaluation Association (NWEA), which developed and owns MAP, is upgrading Pilgrim's version of the test to reflect the new Common Core State Standards. NWEA has promised these upgrades by the end of June. We are also pursuing more MAP in-service for staff and the purchase of companion programs to MAP that can provide students with enrichment activities linked to their individual scores. These companion programs can be accessed via the web so students may work on them at school or at home. I will send more information when these are in place.

And a last word of thanks to all of you who donated to the Fund-A-Need at the Auction. The Pre-Kindergarten room has its new water table, the Kindergarten room has its new chairs, and sometime before the end of the school year, each classroom will have new window shades to allow for more effective use of technology. If there is still money in the Fund-A-Need account, our next projects are replacement of carpet and the movement of our technology off the server and into the Cloud. Congratulations to all our school families and the members of the Pilgrim Congregation who have worked so hard to pay for these improvements. God blesses this school and all its students through your generosity.

So, this is a window into some of the things happening at Pilgrim in addition to the rigorous academics, sports, social events, and ministry. Always, feel free to ask me anything about what is going on so that we can better educate our students to become the leaders of tomorrow. Blessings to all.

GRADUATES!

(Editor's Note: 8th Grade is such a turning point. Amid a flurry of activities and excitement, it's a time where reflection of "what's been" competes with anticipation of "what's next." I was looking for an 8th Grade volunteer to share their experience via an article for this newsletter. Participation was so great, the writers so talented, that I couldn't choose, so readers will find all of the essays sprinkled throughout the May and June issues. Look for them and ENJOY!)

8th Grade Memories

This year was my favorite year because it was a time when everyone was choosing their high schools, and maturing. This year, I feel like everyone became closer, and connected a lot more. We all had some great moments. Being in a class with just 8th graders helped us become like family.

Spending time with the same classmates for almost ten years created a lot of memories as a group. There were a lot of highlights. One of them was when we started a volleyball team in 6th grade. That was a sport that a lot of people found out they loved. We even had a boys team a couple years later.

I feel like the 8th grade year has definitely been a good experience, everybody became a more independent person. Graduation is a great time for everyone to reflect on what a great time people had and what a great time people will have. Letting go of some of our friends will be hard, but it will help us move on to greater parts of our lives.

Vacation Bible School

This year's VBS program, Gangway to Galilee, will take place the week of June 16-20, in the mornings. Children ages 3 through 12 are eligible to participate. Over the coming weeks we will be asking for adult, teen and 7-8th grade volunteers to help with our preparations, as well as lining up people to help during VBS. Last year's volunteers had a great time, so please consider signing up to help this year, even if you don't have kids! Questions? Contact Chris Wallis, cewallis1949@yahoo.com.

Come to El Salvador Mission Trip, July 31st – August 10th 2014.

This trip is open to all people. ALL AGES WELCOME, no Spanish knowledge required. Please grab a brochure on the back table at Pilgrim for next steps!

September 14th, Pilgrimfest Block Party!

Are you ready to be a part of Pilgrim's fall celebration? Do you have some great ideas to make 2014's event better than ever? We already have some new activities in the works, and are looking for an alumni coordinator, an outreach chair, and a logistics coordinator. Join us for a planning meeting Tuesday, May 6th at 6:30 PM in the church parlor. Questions? Contact Shellie Riedle Volkens at shellieriedle@yahoo.com or 773-216-1623.

8th Grade Memories

My eighth grade year has been full of memories and delightful surprises. It still feels weird to say that I am an eighth grader. It seems like just yesterday that I walked through Pilgrim's doors for the first time. I thought that I would never be where I am today, getting ready to go to Walter Payton College Preparatory. I can't even imagine going to a different place than Pilgrim. I have made so many memories here that Pilgrim truly feels like a second home to me.

This year, I've been blessed to see my fellow classmates and I grow up and prepare to go forth in our studies. I've enjoyed having our wonderful teacher, Mrs. Andreen, this year for the second time. She has done a great job preparing us for high school.

Playing on the Lady Wildcats volleyball team for my last year has truly been a blessing. We came together as a team and competed with some of the best Lutheran schools in Illinois. One of my most favorite memories from this year was celebrating winning first place in volleyball at the St. Philip Tournament. We had so much fun together and made memories that will last a lifetime.

Overall, I will never forget the friends I've made and the good times I've had during my 11 years at Pilgrim. I am so lucky to part of this amazing community called Pilgrim Lutheran Church and School.

Deadline for June newsletter items is May 15th.

8th Grade

This was my favorite year because we were finally separated from the 7th graders. Another thing that I like about this year is that we had lunch in the annex for the first time ever. This year we had the best teachers in 7th and 8th grade, because they push you ... but not too far.

What I Like About 8th Grade

I have had many highlights this year. One of my highlights was learning which high school I got into. I liked that we had our own classroom, without the 7th graders, which was good because we had less people in our class. I also liked that we got to eat in the annex. A fourth thing that I liked at Pilgrim this year is that we are going to Washington, D.C.

Even though we got our lunch taken away, I liked that we did get to go out to lunch a few times. Another thing that I enjoyed was the new garden area where the pine tree used to be.

April Dining Review (Julie Lea)

In a quaint, cozy Thai decorated restaurant on Montrose, our large dining group, (including a couple new diners) enjoyed the ethnic food, as well as camaraderie.

The tables at **Royal Thai** were set up waiting for our arrival.

Several appetizers, including sampler for two, spring rolls, pot stickers, chicken satay, plus a spicy som tum salad were shared. A variety of dishes were ordered and a pad Thai made with crispy noodles; all ingredients fresh. Everyone enjoyed the tasty entrees. Service was good, with help available, if needed. For such a large group the dishes were serviced in a reasonable timely manner. It is BYOB, so we brought beer and red and white wines. Everyone was happy and had a good time!

Save May 18th for our next dining date at Las Tablas, Colombian restaurant at 4920 West Irving Park.

8th Grade, My Favorite Year

This eighth grade school year has definitely been my favorite year. When I was in 6th and 7th grade, I would always say how excited I was for 8th grade. I was especially excited to apply for high school and go to Washington, D.C.

This year was great because I got to have two of my favorite teachers, Mrs. Andreen and Mrs. Fanning, I got into the high school I wanted to, and I got to spend lots of time with my friends and classmates. Another reason that this year was my favorite is because I had the opportunity to go to the state volleyball tournament with my volleyball team and my best friends. I love this year because I get to spend my final year here at Pilgrim with the friends and teachers I love.

Leaving Pilgrim is bittersweet because I am leaving my friends and school community, but I can go experience new things and have great memories of my eighth grade year. I am still looking forward to our class trip to D.C and will miss our class and Pilgrim so much.

The Redelscheimer Family's Happy Day!

Back from Afghanistan, Pastor Karl gets a warm welcome home from Kim, Sam, Micah and Anna at Rose Barracks, Vilseck, Germany.

Food for the Hungry

Pilgrim accepts grocery donations for the Friendship Center and Common Food Pantries. Please bring nonperishable food and leave it at the top of the stairs near the entrance of the church.

Hot Meals Ministry

Pilgrim provides a free home-cooked meal for the community every Saturday at 11:30 AM in our church fellowship hall (basement). We welcome all to this meal. If you are interested in volunteering, please contact Janet Taylor.

Looking for Rides to Church

We are looking for people who would be willing and able, on occasion, to give a ride to someone who needs help getting to church for Sunday worship and home again afterward. If you have not already done so, please let Barbara Anthony, in the church office, know if your name can be added to a list of volunteer drivers, and also let us know if your vehicle is accessible to people who may have limited mobility. Thank you in advance!

My Favorite Year at Pilgrim

This year has been one of my favorite years at Pilgrim. I have become very close with all my classmates and have seen them all grow up. Every single 8th grader in my class is like a brother or sister to me. I am so thankful for the 7 wonderful years I have been here and all the unforgettable memories we have all had together. Its crazy to think that I won't get to see all of my classmates next year but I know we will all stick together even though we are all in different places. I will never forget going to state for volleyball with all the girls and even though we didn't win any games we were all happy because we were there together. I will never forget eating in the annex and singing to the radio, playing the piano and laughing so hard our faces turn red. I couldn't wish for any better classmates to share my final year at Pilgrim with, they are all so unique and all have different perspectives on life. Each one of my classmates has taught me something in life, from how to memorize multiplication tables all the way to how to be a good friend. Saying goodbye is going to be hard but I know I will stay in touch with every single one of them and I will still be super close with all of them.
