"But the one who plants in response to God, letting God's Spirit do the growth work within, harvests a crop of real life, eternal life." _Galatians 6:8, The Message Bible

I don't know about you, but as I live moment to moment, event to event, I don't always look at... or take time to celebrate... the big picture. But as I reflect on an entire month at a time (like June of 2014), all I can say is... "Wow" and "Praise God!"

In June, we celebrated the graduations of 17 eighth graders, ministered to over 50 children and youth through our Vacation Bible School, held a Confirmation Retreat at Lutheran Outdoor Ministries Center, and helped raise thousands of dollars for ministries in El Salvador and Ethiopia, we hosted a group of 34 singers from Minnesota that helped lead worship on Father's Day June 15th, and we also honored the life of our dear member and friend, Lois Kane, whose funeral was held on June 16th. Many churches don't do that much ministry in an entire year!

Throughout my life, I've been blessed to be a part of small churches and big churches. Sometimes, I hear people refer to Pilgrim as a small church. However, that's not how I see or experience Pilgrim.

I pray that Pilgrim will always be a place that cultivates friendships and builds meaningful community. But I invite you to step back and see Pilgrim from a "big picture" point of view:

Most congregations don't have:

- All generations in worship
- An academically excellent Christian Day School
- A budget of over 1.2 million
- A weekly community meal with 10 teams of volunteers
- Global mission partnerships with Ethiopia, South Africa, and El Salvador

Pilgrim is a big community... and we're making a difference in thousands of lives a month. I am really overjoyed to be your Pastor. Thank you again for all you do to gather, prepare, and send all as leaders for God's mission in the world!

God's peace and my thanks,

Pastor Kristian

Note: We will not be having an 8 AM service on **Sunday, September 14th**. We will have only one outdoor service that day at 10 AM, as we will begin the block party immediately afterward! The 8 AM service will continue every Sunday the following week, September 21st.

Thank you to the Lutheran youth serving Pilgrim through UKANDU. High School students from Lutheran congregations from Minnesota to Tennessee have been working around the building in June, cleaning and painting. The Chicago Lutheran Education Fund (CLEF) coordinates this mission. We appreciate their efforts! Thanks also to Dave Emery for coordinating the work.

On Tuesday, June 17, the Pilgrim Board of Education approved the hiring of three new staff members. With the resignation of Sara Chenery, effective June 15, Suzi Ianchici now becomes the permanent Early Childhood/Pre-Kindergarten teacher. Mrs. Paula Raabe is joining our Upper Grade staff to teach Math and Science. Mrs. Raabe has 27 years of experience in Lutheran Schools and also teaches Mathematics Education to teachers at National Louis University. Finally, welcome Cynthia Amezola, a graduate student in a Master of Arts in Teaching program, from Valparaiso University. Ms. Amezola will be working as a co-teacher with Ms. Huelskoetter, Ms. Daczyszyn, and Mr. Knuth. Ms. Amezola joins us as part of a partnership known as LEAPs, sponsored by CLEF and Valparaiso.

Thank you to the Pilgrim PTL for hosting an Ice Cream Social on Thursday, July 17th. It was a great time to meet our new staff members and have fun with current and prospective families.

Thank you to those who have already contributed to the Dave Maring School Endowment Fund. It was established by the Congregation with a vision that, when fully funded, income from the Fund will provide scholarship aid and seed money for new programs at Pilgrim. We currently have a matching grant challenge from a member of the congregation. We need to raise \$25,000 and the donor will match it! So far, we are \$4500 toward our goal. Please help if you can. Donations are being accepted via the Pilgrim web page.

We still need a few good students! We are especially trying to fill seats in Kindergarten, 4th and 7th grades. If you know a family looking for a school, please refer them to Pilgrim.

Summer Of 2014: A Season Of Gathering, Preparing, And Sending

(Pastor Kristian Johnson)

"Do you not say, 'Four months more, then comes the harvest?' But I tell you, look around you, and see how the fields are ripe for harvesting." _John 4:35 (NRSV)

Being that Pilgrim is a church with a school ministry, summer is by far our "slowest" time. Rest is part of our holy, faithful rhythm as Christians, and I pray that we all found some moments, some days, and some weeks of rest and re-creation.

As we jump into the fall, a new school year and everything that brings, it is good to reflect on our 2014 summer - at the heart of the "Season of the Holy Spirit", Pentecost.

GATHER

- Shellie Riedle, and many teams of volunteers, have been working all summer as we gather people together for an amazing day of worship and fellowship at our annual block party! We will begin the day's festivities with an outdoor worship service at 10:00 AM, followed by a dedication of our new "Gathering Garden," food, a petting zoo, 100-scoop ice cream Sunday, penny social, petting zoo, quilt show, music, games, bingo, bouncy house, kids crafts, and more! Please come and invite 10 friends!

PREPARE

Youth Ministry- This has been an awesome summer for me to see how much fun youth ministry is! Hosting 34 kids and 6 adult youth leaders around the 4th of July from Oregon was a blast. Having Erik Basler, Tonya Saiki, and five other youth from various churches here serving in El Salvador is a huge highlight... over 13 youth and adults met at a Barbecue meeting on Wednesday, August 20th to brainstorm about how we can get high schoolers together for spiritual growth and for service in the coming year the 2015. We are especially excited about the possibility of participating in the ELCA Youth Gathering in Detroit, together with local congregations. See: <http://l.facebook.com/l/zAQHxnRnhAQEo9rKXxVmn9ftFamsJbS4d5UJuGbQCbh4McQ/www.elca.org/YouthGathering>

- The 2 leadership huddles (16 participants total) have been meeting since February, and they have been going very, very well. Between January and March of 2015, many new huddles/small groups will be launched as we live into our mission statement to Gather, Prepare, and Send Leaders for God's mission in the world.

- We had a very productive meeting with the Luther Memorial/Pilgrim Joint Task Force on Sunday, July 5th. We invite you join Luther Memorial at 11:15 AM for their September 7th God's Work our Hands Day and Block Party. They will be sending people over to our September 14th Block Party, and then we have additional activities and meetings planned for October through December as well. We also developed a working time-line for launching a Pilgrim satellite preschool at Luther Memorial in the fall of 2015.

SEND

EL SALVADOR MISSION TRIP- What a tremendous blessing it was to be with 19 pilgrimites on a mission trip in El Salvador... they were all so amazing to work with and learn from. If you see any of the Baslers, or Jean Carroll, Anne Meyers, Andrea Preston, Scott Russell, Ralph Maffucci, and Cheryl and Tonya Saiki. Principal Chris Comella and Karen Huelskoetter, please ask them about their trip! Thanks again to the Pilgrim congregation for the generous gifts of \$10,000 to build Lord of Life Colon, \$1,500 to the Hope House Clinic, and \$1000 to the Bread of Life Pupuseria Restaurant...was it EVER fun to distribute those checks and see those projects impacting so many hundreds of people!

CARE MINISTRY TEAM- I am so proud of our new visitation ministry that is being co-led and co-created by Claudia George and Judy Daniel. Members of this team will be visiting people who would benefit from an encouraging visit, and sometimes will be sharing communion. Please join us for a special meeting of the newly forming Care Ministry team on Sunday, September 21st at 12:15 PM.

Fall Adult Bible Discussion Group: Unpacking Discipleship Following Jesus is life's deepest, most challenging, and most rewarding adventure! Yet, when we hear words like "evangelism" and "discipleship," we don't always get so excited. Is it because these words are too dated and "churchy" to be useful in 2014? Or do they need to be renewed and reclaimed so that we can live Jesus' dream for us? Join us on Sundays at 9:15 AM starting this fall on September 21st as we begin a new study "Unpacking Discipleship" together. This is a "no experience necessary" group, even if you've never read the Bible, you are invited to learn with us!

Attention Pilgrim Jr and Sr High Youth. It's time to get together and have some fun and dream about the way we can make a difference! Join us for a night of food, beach volleyball, and fun on Wednesday, September 17th at Montrose Beach. We will be gathering from 6:30 PM to 7:45 PM. All Jr and Sr. High youth are invited!

Teacher Installation Celebrations September 7th at 10:30 AM. Join us as we install our Sunday School Teachers and begin our Fall Sunday School session at 9:15 AM.

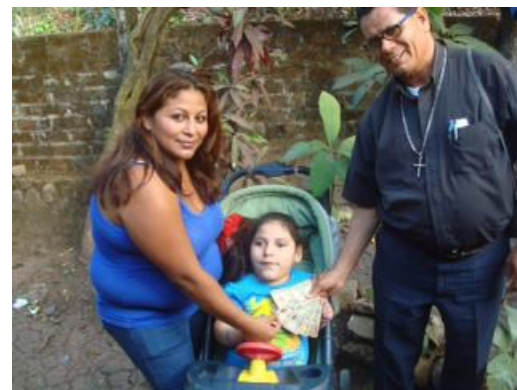

September 14th at 10:00 AM. Join us on our Block Party Worship as we install our day school teachers!

Join Luther Memorial on September 7th. We at Pilgrim are developing a partnership with our neighboring ELCA congregation, Luther Memorial (2500 W. Wilson) Some of their members will be joining us for our block party on Sunday, September 14th. We, in turn, are invited to help with their ELCA "God's Work, Our Hands" Day of Service and attend their Block Party to follow! Starting at 11:15 AM, you are invited to join in on one of four on-site service projects: Project Linus, Making Kits for Lutheran World Relief, Children's Center Clean Up, or assisting at Lincoln Square Friendship Center's Food Pantry. Then, stick around for their Block Party that will begin at noon. Contact Luther Memorial at bfsatchdogs@sbcglobal.net or 773-539-3018 for more information.

The Cold Challenge

On August 24th, Pastor Kristian challenged the congregation to support him in getting an ice bucket dumped on his head LIVE IN WORSHIP for a life and death cause... for Joselin (who, as a result of a fever as a baby, was paralyzed) and the people served by the medical ministry of Pastor Matias in El Salvador.

That was awesome Pastor Kristian!! You raised \$454 for the Medical Ministry serving the rural poor in El Salvador. (Video available on FaceBook!)

THANK YOU to everyone who has generously supported the "Celebrate Family" Fund to support the ministry of Ethiopian Pastor Lalissa Gemechis. Thank you to the 40+ that attended the benefit dinner on June 25th and the prayer breakfast on July 5th. Thanks to the generosity of Pilgrim Members, Pilgrim School Families, local businesses, and Thrivent Financial, we have now raised over \$5300 towards the goal of \$6000 to help him bring his wife and two children here from Ethiopia as he completes his Doctoral Studies at Concordia Seminary in Fort Wayne. We rejoice in this opportunity to fulfill the great command "to love our neighbor as ourselves. To give online, go to: <http://tiny.cc/5368gx>

Science Comes To Coffee Hour! (Scott Russell)

The color changing liquid being observed in the photos is what is known as a PH indicator. PH is a simple way to describe whether something is an acid or a base relative to water. Pure water has a PH of 7 which is considered neutral; if one were to add something like vinegar, an acid, to pure water, the water will become more acidic and its PH will approach zero. If one were to add baking soda to the water it would become basic and its PH would approach 14. The PH scale goes from 1 to 14, but just because let's say something has a PH of 2 does not necessarily make it dangerous as there are other factors at play too. An example is vinegar which has a PH of 2 and one can drink it; where as hydrochloric acid has a PH of 1 or 2 and it will easily burn a person. There are pages I could write simply about acids and bases, but to keep it short, the indicator I used is red cabbage juice. I took some red cabbage leaves and

placed them in a blender with distilled water and then strained to remove the bits of cabbage. What comes out is a red/purple liquid which will change color in response to changes in PH. Adding acids will cause the liquid to become pink and then reddish; where as adding a base will cause the liquid to become green, blue, yellow depending on the new liquids PH. The reaction is reversible as well a person can add a base to turn the solution blue, but then add an acid to change the color back to red. This reaction will continue as long as the solution remains fresh and can easily be done at home as an easy science experiment for kids.

Gangway To Galilee

(Christine Wallis)

Pilgrim's Vacation Bible School, "Gangway to Galilee," took place the week of June 16th. Forty-seven kids (from 9 different churches, as well as some unchurched families) and 23 adults set sail on an Amazing Grace Adventure. We used plays, music, crafts, games and snacks to learn five important lessons:

Jesus calls me
Jesus teaches me
Jesus keeps me safe
Jesus saves me
Jesus provides all I need

All of the lessons are based on Gospel stories centered on the Sea of Galilee and the disciples' vocations as fishermen. We shared some of the music and the story in which Jesus calmed a terrible storm with the congregation at the service on June 22nd. In addition, we raised \$141 for the ELCA's anti-malaria campaign (you can see our "catch" of giant mosquitos in the net up in the church), plus money for Spanish Bibles for El Salvador.

In short, a good time was had by all, and we'll see you next year!

(Editor's Apology: Some fabulous VBS photos should have occupied this space. Alas, the photo disk was a casualty of The Valencia Family's 40-Year move/adventure. For a very brief moment in time, the good news was: I had downloaded the disk to an external drive before we moved; bad news: the drive was in the same box! I am very sorry, Christine.)

Summer Dining Reviews

(Julie Lea)

JUNE On a sunny Sunday afternoon, in the atrium at the Greenhouse Inn at Misericordia, 6300 N Ridge Avenue, a large group gathered for a delicious brunch. Included were choice of juice, a variety of salads, and main course of egg dishes, French toast, potatoes, carved meats, chicken, and very delicious desserts. All drinks are extra. The service is friendly and some of the residents help also. They have a bakery and a lovely gift shop with many unusual items. Everyone enjoyed the brunch and I highly recommend the restaurant which is also open for lunch on weekdays.

JULY On a perfect July evening a small group enjoyed dinner on the tree lined quiet patio at Rockwell Neighborhood Grill, 4632 N Rockwell Avenue. They were very accommodating and family friendly, and also handicapped accessible. The service is great! They have a large number of beers and a good selection of wines to choose from. 'Make your own burger' was the most popular order, with most orders including sides of your choice. The portions are large and delicious. It is very reasonable and good for an evening out for a drink, snack or dinner.

AUGUST On a cool, cloudy Sunday in August, a large group had brunch under a covered and floral decorated patio at the Fireside Restaurant, 5739 N Ravenswood Avenue, where our tables were set. They are famous for their 'make your own Bloody Mary', of which many ordered. The American brunch/lunch menu consists of many varieties of eggs dishes, which was a popular choice. Our service and waitress was excellent, as was the food. The restaurant is most accommodating for any special needs. Everyone really enjoyed the fellowship and food, even though the weather was not the best. Great place!

September 21st, we will partake of Czech/Bohemian fare at Klas Restaurant, 5734 W Cermak in Cicero. Watch for the notice. Planning ahead for October, it will be Oktoberfest at Hofbräuhaus in Rosemont.

Pilgrim Sends 19 To El Salvador
