

# Strawberry Juice

Print and cut out recipe picture cards.

With your child(ren) talk about the sequence of cooking steps needed. Place the picture cards from left to right on the kitchen counter or cooking area.

'Read' the picture recipe together as you make this delicious traditional juice.

Use 1 basket of strawberries.

Wash strawberries.

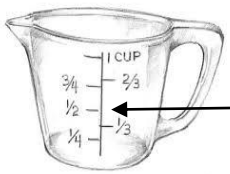

Hull strawberries.

Add water.

(Water: Strawberries = 2:1)

Add  $\frac{1}{2}$  cup maple syrup.  
(or more)

Stir.

Cool juice in refrigerator.

Pour juice into cup to drink.
