To Whom It May Concern:

We are a dedicated committee of concerned agencies that have been working hard for the last six years to bring awareness to the travesty of the Missing and Murdered Indigenous Women (MMIW) across Canada. This is an ongoing issue that really matters to us and we have been hosting vigils and other awareness events to HONOUR the MMIW as well as their families. You may have seen us at the Pow Wow or other events making Dolls that represent the MMIW, in honour of all of our fallen sisters.

Women are a vital part of our communities and the only way to stop violence is to ensure that we are rising up and educating others.

We are reaching out and asking for your help. Once again we are requesting your assistance in helping us have another successful Vigil where we can educate the broader public to this ongoing tragedy as well as to honour all of our sisters, mothers, grandmothers, daughters, grand-daughters, nieces... who are not here with us and who have left loved ones behind.

A monetary or any other donation is gratefully appreciated. The donations are used for honorariums, gas money, to purchase feast food and supplies. We will gladly honour you by ensuring we offer our gratitude to all donors throughout our event.

We understand that as a business owner you are approached for donations. We want you to know that your generosity and support is making a difference in our community. Nya:wen.

Please accept this as an invitation to attend our Vigil as well. Please see attached detailed flyer of our event. If you have any questions, please let us know.
