

Kingston Native Language Nest

Learning Language and Culture through Drum Songs

The Nest is coming together to learn hand drum songs—in the language of the Nation they belong to. We will share what we each know; learn how to say the words; what the song means; and, and how the song is used culturally—all in a fun, kid-friendly way. Meet other people who share your language interest! Light snacks will be available.

Where: North Kingston Community Health Centre, 263 Weller Ave

Bring your children ! All Ages are Welcome !

Call Maureen 613 353-4441 or cell 613 217-4441 for more info

Saturday 10—1130
