Splash 'n Dash

Kayak and Canoe Races

hosted by

Friends of the Middle River

Join us for a fun, wet, splashy afternoon of racing on Middle River! Great for kids and families, we conduct these races as a double elimination competition, so every racer gets to race at least twice. The course is set for racers to weave down 5 buoys then turn and race back upstream to the finish line. Bring your canoes and kayaks, doubles and singles are welcome. Come, meet the Middle River.
