

April is Volunteer Month!

Make a Difference | Volunteer | Get Trained | Scholarships Available

You have a unique opportunity to provide life-changing, cognitive-skills-based, recovery meetings by starting a new SMART meeting in your local community! The SMART "Get SMART FAST" online training program will prepare you with the knowledge you need to start a new meeting or co-facilitate an existing meeting.

Training Scholarships (valued at \$100) are available for new volunteers, with the recommendation of a current volunteer, reducing the cost of the training to \$29**. Train alone or team up with a friend to co-facilitate a new meeting.

Note: We have a limited number of training scholarships, available through Thursday, April 30 2020.

Apply at: <https://bit.ly/3bb4mOg>

**Additional financial assistance is available as needed.

"One of the very best things I have ever done for myself was to volunteer. It's amazingly rewarding to be able to help other people find what I have found in SMART!" -G. Williams, Meeting Facilitator
