About the rights of personal data subjects

In relation to the processing of your personal data, you have the right to:

- access the data and obtain a copy hereof, provided that the latter shall not adversely affect the rights and freedoms of others;
- obtain the rectification of inaccurate personal data;
- obtain erasure of personal data where there are no overriding legitimate grounds for the processing;
- withdraw your consent if processing is based on consent. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal;
- object to processing of your personal data, on grounds relating to your particular situation, in case such processing is based on Article 6 sec. 1(e) and (f) of GDPR;
- obtain restriction of processing of your personal data in particular in case the accuracy of the personal data is contested by the data subject, in case the processing is unlawful or the controller no longer needs the personal data for the purposes of the processing, but they are required by the data subject for the establishment, exercise or defense of legal claims;
- receive the personal data in a structured, commonly used and machine-readable format and the right to transmit those data to another controller where the processing is based on consent or on a contract and the processing is carried out by automatic means;
- lodge a complaint to the supervisory body, ie. to the President of the Personal Data Protection Office, Stawki 2; 00-193 Warsaw.

About the necessity of personal data submission

The submission of your personal data, for the purposes mentioned in the table above, is voluntary but necessary to participate in recruitment processes run by GetResponse.

About automated data processing, including profiling

Your personal data is not subject to automated decision making, including profiling.

About transmitting data outside the European Economic Area

Your data may be transmitted to a third country, ie. outside the European Economic Area, particularly for the purposes of recruitment processes for business entities with the headquarters outside EEA and in relation to using information society tools and services, in particular the communication and data processing services.
